No-Till Drill Rental Agreement

This rental agreement is entered into between the Adams County Soil Conservation District (SCD) and

_____.

Authority to enter into this agreement is found in N.D.C.C. 4-22-26.

I agree to pay the Adams County Soil Conservation District \$10.00 per acre for the #1590 John Deere No-Till drill and \$3.00 a loaded mile for delivery to and from property. A down payment of \$300.00 is due at or before delivery. Minimum charge for the use of the drill is \$300.00. After completion of seeding, full payment of the account is due when billed. The SCD may charge 1.5% interest per month on any outstanding bills.

Estimated Acres _____ Estimated Total Cost _____

I agree to operate the No-Till Drill according to the operator's manual instruction and/or the Adams County Soil Conservation District's directions, including recommended daily maintenance. I agree to provide necessary hydraulic adapter if needed.

I will contact the SCD in case of needed repairs, maintenance, or in the event the implement gets stuck. I will not make repairs to the equipment unless authorized by the SCD. Parts will not be paid by the SCD unless preauthorized by the SCD.

Insurance coverage of the drill while in your possession is included in the rental rate.

I agree to clean and remove any excess fertilizer and/or seed from the drill when completed.

I will contact the office if I cannot use the drill due to weather conditions while in my possession.
